

Celebrity Golf Tournament and Soulful Midday Soiree 2021

Dear Friends and Supporters,

Each year brings additional new ways to service our community with our combined efforts through the Odessa Chambliss Quality of Life Fund. Your support and financial contributions over the years have been a tremendous blessing to many students in educational institutions and other organizations.

Since 1996, our goals continue to be accomplished and surpass all expectations. With the addition of The Odessa Chambliss Center for Health Equity on the campus of the great Bethune Cookman University in Daytona Beach, FL we are now able to serve others in another capacity. You all have been very instrumental in helping us to bring continued awareness to many who need assistance. You have heard the story time and time again, at the time of our mother's death (Odessa) we learned "it is not the quantity of years one lives, but the quality of life that is important." My family and I continue to stand on our commitment to support this principle daily. I am happy to say that after each event another dream becomes a reality for some deserving students and individuals in our communities.

*As our team begins the planning stages for another spectacular event, we are soliciting your financial support for **The Shaq's Mama Said Knock You Out 2021 Golf Tournament and Soulful Midday Soiree**. This scheduled event is to take place on April 23rd and 24th, 2021. A VIP Reception on Thursday evening will kick off the activities followed by golf the next morning at Rosen Shingle Creek Golf Club. We will wrap up the golf tournament with a Soulful Midday Soiree which will include a fun filled afternoon of good food and socializing with great people.*

The Odessa Chambliss Quality of Life Fund is a 501(C) 3 charitable organization and can provide you with the necessary documentations for your records upon request. As we go forward with our plans and the excitement continues to build, we sincerely hope and pray that you will again join us in our efforts. You are an integral part of The Odessa Quality of Life Fund and one of the reasons we continue to exist.
